One day, we all went in our motor-boat to an island. My elder sister and her boyfriend came with us. We chose this island because we saw some goats on it and we thought it would be fun to go and visit them. But when we landed, we found that the goats were wild and we couldn't get near them. So we sat on the rocks in our bathing costumes, enjoying the lovely  
5 sun.

The boyfriend had just finished filling his pipe and was about to light up when my elder sister called him to come swimming. So he put down the pipe and off he went.

I looked at the pipe. Near it, I saw some dried goat's droppings, and an interesting idea came to my mind. I picked up the pipe and knocked all the tobacco out of it. I then took the  
10 goat's droppings and packed them into the pipe. Then I placed a thin layer of real tobacco over the top. The entire family was watching me and I could sense approval all round. I replaced the pipe on the rock.

Back came the boyfriend. "Great swim!" he announced. Then he sat down and reached for his pipe. We were trembling with anticipation.

15 The boyfriend put the pipe between his teeth and struck a match. "Ah-h-h," he said. "There's nothing like a good pipe after a swim."

We waited. My younger sister couldn't bear the suspense. "What sort of tobacco do you put in that thing?" she asked.

"Navy Cut," the boyfriend answered.

20 My elder sister, fresh from her swim, came and sat herself close to her boyfriend. They were too occupied with one another to notice the great tension in our group.

Then all of a sudden, the boyfriend screamed. His pipe flew out of his mouth, and his second scream was so loud that all the seagulls on the island rose up in alarm. He began choking and vomiting.
